

Swientist Poster Competition

What?

Create posters highlighting biosecurity or ways to reduce the spread of disease between pigs and/or people.

When?

Bring your posters to the last OH-Pigs show of the season, June 29-30 in Clermont County. Winners will be notified at the OH-Pigs banquet.

Why?

Display what you have learned about biosecurity at the Ohio State Fair swine barn and earn Swientist points!

How?

Create a standard sized poster (22" x 28") with examples of biosecurity practices to prevent disease spread.

Example poster topics include (but are not limited too): Washing hands, cleaning and/or disinfecting equipment, changing boots and/or coveralls, keeping sick animals home from a show, vaccinating pigs, and working with a veterinarian.
