

Friends of the Ohio Pork Industry,

Thank you for supporting Ohio's pig farmers and the activities of the Ohio Pork Council.

Each year, the Ohio Pork Council carries out a variety of programs, activities and events for farmer members, allied industry representatives and friends of the industry. The Ohio Pork Council remains focused on serving farmer members through promotion of their product, providing education to consumers, maintaining grassroots public policy and public advocacy efforts, and protecting their freedom to operate. All of this, and more, is made possible each year through the support of our generous sponsors.

Our 2021 Sponsorship Program includes a variety of opportunities for supporters to be part of our yearly activities and reach our 3,500 farmer members to best fit your investment goals. This year, we are pleased to offer *Annual Sponsorships*, which allow supporters to reach Ohio's pig farmers all year long with one investment. We are also pleased to offer *Individual Sponsorships*, reaching attendees and farmer members through an event or program of your choice.

Following a challenging 2020, the Ohio Pork Council looks forward to reconvening with farmer members and friends of the industry at the annual Ohio Pork Congress, held February 9-10 in Columbus. As our most widely attended event, we hope you'll join us in 2021 to kick-start our program year.

We hope you find the 2021 Sponsorship Program as an opportunity to show your support of one of the top pork producing states in the country – with your support, we can make the activities of the Ohio Pork Council bigger and better in 2021.

Please feel free to contact the Ohio Pork Council at any time for more information. Thank you for your support!

Sincerely,
